

# Landscape and Treescape Management Accredited Invasive Weed Specialists

0203 174 2187 01202 816134 info@pba-solutions.com www.pba-solutions.com

**Project** *Atkinson Morley Hospital – Japanese Knotweed Remediation*

---

**Developer** *Berkeley Homes*

---

**PBA’s Role** PBA Solutions provided contract invasive weed remediation including management plans and guarantees. Works involved the excavation and removal of Japanese knotweed impacted material to an approved off site landfill. As subcontractor PBA Solutions provided machinery, lorries and the onsite expertise to deal with the infestation. Japanese knotweed removal on this project involves careful excavation near TPO trees, new build knotweed remediation, refurb knotweed remediation and treatment / removal within ecological and conservation zones.

---

**Value** £210,000

---

**Date Completed** On going from 2012
